

Kozmetsky Global Collaboratory (KGC)

Collaboration Opportunities for Students, Doctoral and Post-doctoral Scholars

Thank you for your interest in contributing to research projects at KGC! Please follow the steps below to initiate a meaningful collaboration with us.

- I. Please visit the KGC website (<http://kgc.stanford.edu>) and review all the current projects. Once you have identified the project that aligns with your own research interest and you would like to contribute to and learn from, please write directly to the lead scholar of the project by providing information requested in step II below.
- II. In order to convey your interest to the KGC lead scholar you have chosen to work with please respond to the following questions, it will help the lead scholar to better understand your vision and arrive at a thoughtful decision on how best to collaborate with you. Please send your CV along with your response. The opportunities at KGC do not offer any financial remuneration or benefits. Student internships for non-Stanford students are limited to the summer quarter only (July-August).
